

Let's not allow GENERAL ELECTIONS IN THIS Corruption

NATIONAL WALICHEZEE

Edward Lowasa a national disaster!

Democratic Party (DP) intends to convey Court CCM with its members to six, Edward Lowasa and others, in accordance with Article 26 of the Constitution of the Republic of Tanzania, the big

mistake of breaking the Constitution and laws of the State to start campaign Election before when they ought by law. 1 We have evidence which confirms that Edward Lowasa and colleagues

began presidential campaign within their party ahead of time, and that their party gave them the punishment of not doing politics for 12 months, but this time Lowasa has started

presidential campaign Arusha for the great multitude of public Illegal campaign and shed alarming corruption! 2 If you are the trustees had to win his party's offices in eight regions (8)

Only two regions only Tanganyika and Zanzibar and Pemba, only 45 governors in each province. But Edward Lowasa has held meetings across the country, the promise thousands of citizens in

each rally, what he will do if they gave their votes to be President! This is a real campaign, which is a violation of the Constitution and laws of the State! Election is driven by law, so

the law must take its course against him to break it. 3 Edward Lowasa has violated the Constitution and the Law of the exchange rate permitted used in operations valid election, that the

CCM and all institutions of investigation financial country, the Criminal Investigation and National Security is a must that they work very important to get the facts about These billions

of pounds shed in the mischief Edward Lowasa, has about where and how, already involved " Money laundering 'or not, as the income of money all these are valid, and if the revenue it all

yalilipiwa tax thumb that should for the nation. It is absolutely forbidden and is blasphemous Edward Lowasa allowed to run for president, because he has violated the Constitution and the

Electoral Act and Regulations. The optimal characteristics of eligible contest the leadership of any country is a moral and compliance with laws, regulations and procedures of the Rule of

Law 2 4 Edward Lowasa, for kujimilikisha areas nationwide by using corrupt his ministers Land, has put the nation into a higher risk of outpouring of blood between farmers and herders,

having spread throughout the country of his herds, resulting in intense fighting constant everywhere in between his herders and farmers. Because of this evil even in his illegal campaign

Lowasa has failed to say anything about agriculture, although it is the mainstay of the economy of our country and that is life activities that feed 95 percent of the population! By

confronting farmers in their land, killing disposal, keeping their hopes deadly amount of agriculture, had left the slogan "Agriculture First" that only plunging the stage! 5 Edward Lowasa

is absolutely taboo assigned to run for president, because it is not only used corrupt Minister of Land and prospered by acquiring large tracts of land across the country, but he used

corruption more minister of state in the Prime Minister's Office, in imports of mashangingi of MPs, ministers , heads of regional and district. 6 Edward Lowasa been rebuked in 1995 by

Mwalimu Nyerere who is the admiration of CCM lama "Father" them, he wanted to run for president, because he was corrupt pope, that he could not defend himself completely as frauds was all

he ojitajirishia table. Today after the illegal trade very much and National kulipora amidst include frauds of "buy rain Thailand" by stealing from National to spend billions of dollars

RICHMOND air company, this is mischief-whale. It is only disabling purchased corruption and dirty money is shed Lowasa, can allow corrupt Edward agombe Lowasa presidency. Features of the

Presidency kukugombea person described specifically by God in Deuteronomy 17: 15-20, in which Edward Lowasa has not even one! Lowasa previously been rebuked by Mwalimu Nyerere who CCM they

cherish as "Father" them, that does not fit at all to run, because he was corrupt pope, as he vyomtangaza even Reginald lot when he was compelled to resign the premiership for a robbery to

the company weather the Richmond, but today he terrible mischief than the pope supposedly wants the presidency! No wonder that magabacholi yalioipora This country badly as Sigh Setti and

even Nazir Karamagi they are all in 3 Lowasa Edward gang! No wonder even today Much mischief Reginald connect with mischief Lowasa bearing in mind his own drains and involvement of Plenty

and killing Chacha Wangwe, with the plan to kill Reverend Mtikila Chadema, fake document to try kuupotosha fact was announced by his ITV. In his cabinet in the office of the Prime Minister,

and his ministers Land and prime ministers, Lowasa made mischief that in countries like China bitter and interests of their nations would be shot in public, but in our country seeking the

presidency! 7. HEALTH Edward Lowasa its presidential contest imempiga banned! For every job duniasni world, one of the main mashart applicant must have the best health, that's why we must

labor to each applicant Delight professional information to doctors, proving that he has no health defects. This requirement is necessary because: a. All roles will be distributed employee

will do them perfectly by using the organs of his body, so its members must be in a stable condition for work. b. Even if the technical validation of doctors employee has good intelligence

on his head, with errors in other organs of his body affects his mental health and mental capacity thereof. c. The work of the President is very difficult, because it is with regulating the

activities of development of the country, and all the problems yanayowatokea all citizens all they are, and monitor the implementation of all obligations of all actors in the nation, so

that the right decisions are based on good health consisting ensure they ought mental capacity at all d. Error health weakens the ability of thought and lead to poor decisions, which brings

a very bad effect on the nation. And these weaknesses affect until ethics and even patriotism of the weak leader. For example pleads president who lives with hope, for fear of losing life

before he put his affairs with the same family and his community will serve its interests than the nation, the problem became limelikosesha national health priority, and destroy

progressive! 4 e. Wanaowania presidential candidacy must be examined very carefully their health, because Done wrong and crowned with discrepancies health, he's going to be too heavy for

the nation, particularly the funding of the preservation of his life inside and outside the country, absence and focused he ought to have for great for guarantees given etc. Due to his

health very weak even to see with the eyes only, prior empirical observation is that Edward Lowasa can not quite run for the Presidency. Have you missed the most important attributes of

good health, which is a must for anyone who deserves a very large lead bond Nation. Perhaps even a run for the presidency itself is seeking from medical errors, leading to weakness in

decision-making, it has unfortunately he found himself running not quite chokiweza. It must be all the presidential candidates, the National Assembly and even the Councillor their health be

examined carefully before being given contest, and even be reviewed mid-term of their service, if we really appreciation and respect for the nation. Features of the presidency is called or

victimized for countries who are more patriotic values, vision, talents and healthy. It is very erroneous concept that characterized the presidency is kushabikiwa from the crowd! Because

many pursues money and cars swept along even to a crowd of fans simply sought. But to love a person must be a reason, when the fanaticism is the demon or 'Psychological deficiency'. 8

Edward Lowasa is a traitor to our country, to impose the corruption, assisted by the chief murderer dictator Paul Kagame took the Presidency of our country, to be a colony of the Hima

(Tutsi) empire. It is the prospect of dictator Kagame had been given presidential their man Edward Lowasa, wherein the Port of Dar es Salaam will be his, for transporting the riches of the

colony its Congo (DRC), dirty trick that President Kikwete was opposed strongly by his statesmanship, it was because one the hatred and the goat. Kagame assassin who is the commander of the

Tutsi very bad faith, that their god created Bantu for slavery by Tutsis, Tutsis but supposedly created to rule them! This belief is the source of strategic kuliteka Tutsi entire area of

the Great Lakes under the Hima or Tutsi empire, which his hand is in this choice and one of them is Edward Lowasa !. 5 Lowasa is pulled up in the tin for all power stones Tutsis in Rwanda,

Burundi, Uganda and Tanzania. Kagame personally owns more than 2 billion US dollars is zolipora his colony Congo, is why heavier presidential campaign has money Lowasa horrible! Five months

ago they poured three hundred women Kigoma and Kagera, and many more in Dar es Salaam, and spread hinterland, they preach Lowasa that is suitable (for Tutsis) President. Lowasa presidential

campaign driven everywhere by agents who penetrated Hima empire or purchased at each institution, Kijiweni, churches and mosques where he shed corruption Lowasa blasphemous, from its sea of

money laundering. It is his wife Mrs. Janet Kagame, who brought much money he reached Kigoma Coast View Hotel, used Parliamentary taken root Dr. Walid Kaburu and give the citizens of Rwanda

named Peter Serukamba who is familiar with Kagame, who this time has been scheduled by Kagame Parliament of Kigoma North, for control of areas Manyovu and Kagunga, its gate of the wealth of

the Congo came to the Port of Dar es Salaam, which he intends to put it in the hand of the person they Edward Presidency Lowasa. This is one of the reasons President Kagame to keep him

Burundi even by force. The hour of liberation mni now! During the Kagame spy Peter Serukamba lifts very strong campaign of Edward Lowasa, we are not surprised to see Anna Tibaijuka, who is

also Minister of Land lost by scandal Escrow Account, without shame he fought presidential Tutsis option, Edward Lowasa! For this woman had gone assigned by Museveni handouts of 100 cows

and allow Kagame and Museveni to incorporate hundreds of their cattle in our National Parks the region, together with their soldiers who thought it would be easy kuliteka our area! With

money to Kagame, sea presidential money Lowasa include billions yanayotuhumiwa due to corruption of hundreds of millions of US dollars yaliyoinyima our Government with Vodacom Company

revenue terrible. Tunavitaka all entities concerned to investigate these reports with the assistance of external institutions as FBI and Scotland Yard, to Korah been proved to be brought

before the sight of all these corrupt law! Mischief Edward Lowasa, assisted by Persian the Islamic Republic of Iran, Rostam Aziz, who has been praying on our country US \$ 6 more than 550

million, including the sale of its shares Vodacom, money of our nation had have gained through using the company complex Dowans, and the money of the EPA National yolitapeli using the Kora

National air company Kagoda Agriculture Ltd. Gabacholi Rostam Aziz was involved even in the killing of our Railways Corporation, and is accused of bringing 54 heads train, then trafficking

transit Kenya, that fulfilled the dream of the presidency of Lowasa avirudishe, and they even entire kujimilikisha Railway Agency. KAGAME AND EMPIRE BACK TO Lowasa HIMA Our country

iliyokamiwa and Tutsis who have faith very dirty, that their god created Bantu for bondage to Tutsi, but Tutsi supposedly created to rule them! This belief is the source of strategic

kuliteka Tutsi entire area of the Great Lakes under the Hima or Tutsi empire, which his hand is in this choice, their people led by Edward Lowasa! Strategy Hima empire started since we got

independence. I am because I know God led me deeper fighting since you were unqjengwa this imperialist foundations. We all know how in Burundi and Rwanda Hutu who are 85% were slaves of

Tutsis who is 14%, for more than 400 years, until the revolution of liberation of Hutus led by Gregory Kayibanda in Rwanda in 1959. Tutsis they fled their country of Rwanda for torture, but

were fleeing the curse (abomination) to be equal to the Hutus, and more likely to be under the leadership of Hutus who believe that their slaves! It is this mistaken belief that the Great

Lakes began GENOCIDE in Burundi, after the revolution in Rwanda, to the United Nations and acknowledged that the destruction of Hutus and Tutsis were being committed in Burundi was

GENOCIDE. For Hutu men, women and children without weapons were destroyed and Tutsis massacred by hundreds and thousands! The only fault of Hutus was 'rebellion' of demanding equality and

Tutsis! Even the RPF invasion of Rwanda from 1990 was called "liberation" that is to restore the right of Tutsi rule their slaves. 7 Due to very badly used by Bill Clinton when he was

president of the United States and Tony Blair when he was Prime Minister of Britain, the United States has very humiliated by the Burundi GENOCIDE kunyamazia completely as a Hutu who were

destroyed by the Tutsi! But Rwanda where Tutsis they killed, though the RPF (Tutsi) Hutus killed more than four times, was called the scourge of the world, and reality changed usomeke that

are supposedly Interahamwe Hutu or Tutsi have destroyed 1.2 million !! Thanks be to God that now the international community inageukia fact, that it GENOCIDE Rwanda killers of millions of

people are RPF led by dictator Paul Kagame, who began to kill two Hutu presidents, Habyarimana of Rwanda and Cyprien Ntaryamira of Burundi. The world is now open mind, that completely as

having been instituted so GENOCIDE Rwanda and Kagame April 1, 1994 the number of Tutsis' did not come to 400,000, so that in the 1,200,000 slain is evident that more than a hundred thousand

nine were Hutus, because even Tutsis not all were killed, most of them remained alive after GENOCIDE, which even those Hutus were approximately 2,000,000 ukimbizya their lives Congo, Kagame

and the RPF were followed there and destroy them all! HIMA EMPIRE it develops Administration Tutsis meant it and spit the entire area of the Great Lakes and even in Southern Africa as

spirits and their strategies will achieve, has kept a rapid pace now, after completing the conquest of the Democratic Republic of Congo, where Kagame managed to kill President Laurent

Kabila and hand the country his son Adrien Kanambe Rwandan named Hypolite, who puts a fake name "Joseph Kabila", and gave almost all of the top commanders of the Army and the rulers of his

colony's important from Rwanda. It inayoitawala Rwanda Congo! After capturing Congo and all its richness, the Tutsi now have awesome power economically to take it away land of the people,

and Kagame has great ability to buy people, finance propaganda to deceive the world, and especially about the blood of millions of people is shed at night and day, and run murder of his

opponents around the world, including fellow Tutsis who oppose his ideology Supremacy Tutsi, who advocated equality of all human beings and familial brotherhood of all citizens of their

country, who are traitors and conspirators Kagame! Kagame has had runs massacres in various countries, as well as Western countries, Kenya has kowaua Sendashonga, Lizinde and others, South

Africa had recently komwua Kalegeya brother, and where he has tried several times to kill Gen. Kayumba Nyamwasa. Kagame's inhumanity very liumiza our nation, he pomwua our expert Professor

Jwani Mwaikusa Justice, to use its embassy. It is Kagame who threatened to kummaliza our President Jakaya Kikwete, he instructs AU diplomatic attention, that the problem of violence he

Kagame killers and FDLR was peacefully finish diplomatic, to sit and speak over. Kagame and spewing, "I will hit him at the right time!" (I will strike at the right time) in strengthening

imperialism her, Kagame made a close ally enormously by President Nkurunziza of Burundi, aiming to make him a puppet to be used within the Tutsi empire them. But she asks him amtumie

kummaliza he refused president, Kagame was spewing Nkurunziza oust the incumbent, for the dream of handing it to Burundi Tutsi radicals again, who killed massacred even late President

Melchior Ndadaye! All the chaos going on Burundi and Paul Kagame Kigali are developed. Even protests centered around Bujumbura in four parts with many Tutsis. Many were lured accompanying

the poor for franca incentives to 50,000. And many who accepted exile were announced and 'prophets' from Kigali that comes pouring out of the blood that never happen Burundi. Others were deceived with the exile will be exiled the US and Canada. The aim of the demonstration and produce refugees was to consolidate the phenomenon of Kagame of the Genocide, in order to obtain the blessing of the international community aendeshe annihilation of the Hutu Burundi, under the pretext of ending it GENOCIDE, as consuming millions of Rwandan Hutu and Congolese and protected by Bill Clinton and Tony Blair . But this time Kagame has failed to topple Burundi and embed its ruler he Pierre Buyoya, or Alexis Sinduhije, or 9 Rajab Hussein, who sent his Komando and escapement mechanism from prison kumkimbizia Burundi and Kigali, to put Burundi in Hima Empire. Kagame has failed to remove Nkurunziza, because Burundians are accepted. He has given Hutus near a large percentage of the opportunity of higher education has to assist economical, has admitted them in abundance army, has given priority to the education and development of children and women, free education primary schools, free care for the health of children under 5 years and maternal. Amewainua economic Hutus to their market became global Bujumbura, before burns and Tutsis. All the people of the Great Lakes area who know the dangers of these Tutsi radicals Supremacy Tutsi and Hima their strategy to make the empire of our country like DRC to be their colony, they stood with their brothers of Burundi. Tunaieleza risk to aepukwe Edward Lowasa Kagame, who sponsor atumiwe come to rule our country as a vyomtumia Hypolite Adrien Kanambe (Joseph Kabila) Congo! KAGAME imperialism AGAINST OUR COUNTRY pose danger they yoishinda Burundians our country! For as we have said before, capture our country to be a colony of Tutsis began when we got our freedom! Tutsis began penetrated every sensitive part of the administration of our country, then they can take it our country to control us without us knowing one, our country used to kuwatawalisha Tutsi Burundi, Uganda and Rwanda. Today our nation is completely naked in front of mainly Tutsis of Rwanda and Uganda. That is why Kagame has dared to despise as idiot, the amount of kumtambia our president that 'I will hit him at the right time', and kuwaimbisha dancers her that 'man is Kagame, Kikwete is it?' Akajigamba that supposedly can not compete with him, because wherein kutumaliza has many cards in our country aspires to! Yes, he has his spies everywhere, and most of our leaders has successfully kuwapachika his women, that is a victim of sexual espionage! For example, Seth Kamanzi we yemsomesha than our citizens, became a lecturer at the College of Finance IFM, he penetrated and became a member of the Executive Committee, he had finished the work he had sent them had fled to Rwanda and all of our secrets, which now is Senator! 10 Our nation likawasomesha Professor

Silas Lwakabamba became Dean of the Faculty of Engineering, and Dr. Albert Butare. These were the heads of UNDP projects Arusha, but a lot of money yalipopatikana major projects, and made

all their dirty tricks and kuyakimbizia Rwanda, where they were used to establish Institute of Science and Technology! Today Prof. Silas is Lwakabamba them Rwanda Minister of Education, who

also functions to handle secret agents of Kagame in our country, as Edward Lowasa, for Hima Empire, whose Tutsi very proud as it already is president of their colony! The most painful

example is Lt. Colonel Celestine Seromba, who was in the very sensitive to the security of our nation, as Head of Unit IT Force Ulinzxi of our country, with all the secrets of Our Army with

all the data of our arms, our training and strategies Protection Our we have, that is all our strength as a nation! When he had finished the work he had sent to Paul Kagame murderer escaped

with all these secrets, and received them to Rwanda and Kagame dictator as a hero, and once you have promoted Colonel! But spies over a thousand like this have penetrated in the department

of National Security, military, police, Immigration, colleges, all Ministries sensitive to our Government, in organizations sensitive public, in companies far away, in international

institutions, churches and even mosques, let alone women spies who pretended prostitutes! That is why Kagame has despise violent emission of our president, and even when he supposedly

kummaliza kumpangia kaoona he should be, as our president lives courtesy of Paul Kagame murderer! The hour of liberation is now! That is why Kagame has been spewing for very scorn on the

shortcomings of our military, and build up too much of him for imperialism, and concentrated armed to the nose, including radar and sophisticated Scud missiles that could call Dar es Salaam

automatically! Although thug Idd Amin was despised us than Kagame but we struck, and although the Kagame cards failed to Burundi, already Tutsis in Rwanda, Burundi and Uganda have surely

rule our country such as Congo, with their President Edward Lowasa kutubandika! 11 For it is about sponsors of Lowasa of Kigali, Kampala and Bujumbura, that for the man they have shed much

money, to ensure that our country will deliver them for their own interests, ie Hima empire. Tutsis as Major General Anatoly Kamazima who penetrated in Jershi us, then given the Institute

sensitive PCCB, Komando of Kagame Derick Kataraiha who is mpwae Prof Lwakabamba, a credit officer of Bank Our NMB, are just some of the Rwandans who were in campaigns heavy presidential The

Lowasa since 2011, the network of Lowasa being extremely strong financially, since Kagame wants to take it away Congo wildness of these objectives. In order to achieve their dream of Hima

empire, Tutsis have been punished the East African Community (EAC), mostly leaders of the Army of Kagame spies, as Secretary General Dr. Richard Sezibera who used to fill many soldiers

Kagame as senior officers, who are off to Martin Ngoga who led GENOCIDE rid of Kagame's Hutu class on using the ICTR, who now is in the East African Legislative Assembly. Democratic

Republic of Congo and Tutsi Hima imenyolewa Empire, Burundi battling isinyolewe, and we must join as one family of the victims of our country in our land borders, and oppose with one voice

that Edward Lowasa mischief is prohibited to contest the Presidency of our country , because the place is postahili is jail and get her medical rehabilitation ..

PS: This is not a tract, its real.
